*Dear Ladies and Gentlemen,*

Under the auspices of the Dutch Ministry of Defence and in collaboration with the 'Stichting Nederlandse Industrie voor Defensie en Veiligheid' (NIDV), NSPA is pleased to announce that a virtual Industry Day will be held on **27 May 2021**.

This event aims at introducing NSPA activities, procurement processes and business opportunities to Dutch companies. It is further foreseen to launch, if the portfolios match, direct "Business-to-Business" meetings with the NSPA Programme Offices.

In light of an increasing diverse number of requirements that arrive at NSPA, the Agency is in constant need of suppliers; being it for traditional supply articles for combat systems or maintenance related activities, provision of pharmaceuticals or delivery of infrastructure projects and, last but not least, acquisition of weapon systems.

As a potential prime vendor or subcontractor, we cordially invite you to consider the attached proposed invitation and welcome your registration.

We look forward to seeing you on what promises to be a very informative event.

Sincerely,

Peter Dohmen  
NSPA General Manager
