## THE SILVER BULLET GOLF TOURNAMENT

For the first time, COBBS Industries and Commando & Family Foundation are jointly organizing the Silver Bullet Golf Tournament to support our Special Forces and their Families. Join the tournament the 27th of September to support CFF and golf with us at the astonishing golf course The International Amsterdam.

### JOIN OUR MISSION

#### COMMANDO & FAMILY FOUNDATION

Commando & Family Foundation (CFF) is managed by a committed group of people from the SF world who – out of love and respect for this special profession – are committed to the daily care of the foundation.

All case histories are assessed very carefully and discreetly, checking whether the existing system from, for example, the Ministry of Defense is adequate. CFF can also lend a helping hand if existing systems have a too slow response time so that adequate help can be provided more quickly. If necessary and desirable, the resources available to CFF are called upon in consultation with the people concerned. Together with volunteers and sponsors, CFF is building a foundation that can offer people necessary and appropriate support.

#### THE EVENT

The term silver bullet is a metaphor for a simple solution to a complex problem. The aim of the silver bullet tournament is to support the mission of the Commando & Family Foundation: 'Leave no one behind'. We want to offer a financial 'solution' by using the network of COBBS Industries by raising a minimum of €20.000,-

**For the first time, COBBS Industries & Family Foundation (CFF) are jointly organizing the Silver Bullet Golf Tournament to support our Special Forces and their families. At the Silver Bullet Tournament, 100% of the entry fee goes to the Commando & Family Foundation.**

#### DONATE YOUR FLIGHT

To support the CFF you can participate in the silver bullet tournament in two ways. All proceeds from the entry fee go to the Commando & Family Foundation. Sponsor CFF with your participation in a Bronze Flight or a Silver Flight.

Sponsor with your flight and donate in order to jointly reach the target amount. Choose for a single Green Fee with a Bronze Flight or a Private Flight for four participants in a Silver Flight. See tiles for more specifications of the flights.
